For print, advice and information

**Environmentally Aware Print** is just the beginning on a long road to healing the planet. Please allow Digiprint to help you on this journey.

You can be assured of High quality whilst using the most Environmentally friendly materials available.

Whatever your print requirements with Digiprint you can be sure that we will use the most appropriate and cost effective materials and methods to produce what you require and when you require it.

From a basic business card or invitation to a full exhibition system.

We take care of every aspect from concept to completion.

### All businesses require printing..

Digiprint produce all types of printed media including business cards and letterheads plus all required forms, NCR sets and labels.

Whatever your needs we will endeavour whenever possible to produce what you require using environmentally friendly products that meet your requirements

We produce photographic quality posters up to 1500mm wide by 20m long  
Matt and gloss finish laminates and films are available to protect against damp and vandalism.

Mounting onto various substrates from 1mm up to 25mm.

We also supply all forms of acrylic poster holders and wall mounted wire kits as well as all forms of "A" Boards, perfect for when poster or offer changes occur frequently.

These products are also ideal for use with menus, price lists and posters. In fact all forms of external displays.

### Create a masterpiece

- turn your favourite photo or artwork into a totally unique piece of art.

Digiprint produce various sizes of canvas prints, from A4 upto 60" x 40" on high quality canvas stock.

**Picture framing** can be undertaken using a variety of frames and finishes. Choose an additional coloured mount to display your image just the way you like it.

### Roll up Banner stands

A perfect product for temporary displays. Roller banners have a small footprint due to the slim base. Bungee pole supports make for a very compact unit, complete with a twist out foot for extra stability.
