WHERE GREEN ISN'T JUST A COLOUR

Exhibition Stands

Pull up banner stands are a very effective form of display. With quick & easy set-up and non reflective graphics they provide a very clear and cost effective way of getting your message across.

The Linear display system provides an executive and modern display system.

The Linear modular collection is designed to help you deliver displays with real impact.

Ideal for semi-permanent displays for showrooms, shopping centres and exhibitions venues.

To compliment the stand, audio visual units and product counters are available in various styles to fit all budgets and venues.

Key rings - coasters - mugs - pens

Whatever you need to enhance your display or promotion we can provide the perfect product to meet your needs.
